This is a Freedom of Information Act request, and it was previously submitted on December 23, 2014. Region 5's January 26, 2015 response did not, however, include the requested records insofar as they are within the Office of Regional Counsel. Accordingly, please provide the following EPA Region 5 records, regardless of whether maintained in paper or electronic format of any type, including without limitation "records" as defined in 5 U.S.C. § 552(f)(2) and further described in 40 C.F.R. § 2.101(b), insofar as such records:

- (a) are records of or within the Region 5 Office of Regional Counsel;
- (b) concern, address, or otherwise relate to the North Sanitary Landfill in Dayton, Ohio (also known as the Valleycrest Landfill Superfund Site); and
- (c) either
 - (ii) on or after September 1, 2014 were received from or addressed or forwarded to any of the following: Steve Siegel; Vincent (Vince) Stamp; Dinsmore & Shohl; Larry Silver; Langsam Stevens Silver & Hollaender; Michael (Mike) Samples; de maximis, inc.; the Valleycrest Landfill Site Group (VLSG); Cargill, Inc.; Flowserve Corporation; Kelsey-Hayes Company; NCR Corporation; Northrop Grumman Systems Corporation; The Standard Register Company; Waste Management of Ohio, Inc.; Bridgestone Americas Tire Operations, LLC; or any other person or entity representing or acting on behalf of the Valleycrest Landfill Site Group or a member (or members) thereof, or
 - (ii) refer to, concern or bear the signature of James Earnest or James W. Earnest.

Please provide responsive records in electronic format (printed copies are not necessary). I understand that reimbursement of EPA's expenses in connection with processing this request may be required, and ask that you advise me in advance if such costs will exceed \$150. Finally, please call me (202-965-7381) if you have any questions regarding this request. Thank you for your assistance.
